ABOUT US

OUR COMPANY

AQUA is a leading Greek company with more than 20 years of experience in the production of premium fragrances and car care products. Since 2004, we have consistently invested in innovation and quality, developing high-standard fragrances while holding registered patents for several of our product lines.

All our products are manufactured at our facilities located in the Industrial Area of Anoixi, Attica. At the same time, we maintain a strong presence in international markets, exporting our products to numerous countries and building long-term partnerships abroad. In addition, we offer comprehensive **Private Label** solutions, meeting the needs of supermarkets and professional clients, while remaining open to new collaborations

BRIEF COMPANY HISTORY

- 2004** Establishment of AQUA as a company specializing in the production of high-quality car air fresheners.
- 2006** Expansion into the production of car care products, including dashboard polish, silicone wax shampoo, antifreeze, brake cleaners, carburetor cleaners, and more.
- 2008** Achievement of a leading position in the Greek car air freshener market. Partnerships established with two of the country's largest retail chains and development of a nationwide distributor network.
- 2009** Beginning of export activity. Our products became available in markets across Asia, the Middle East, and Eastern Europe, as well as in France, Italy, and Canada.
- 2016** Opening of offices and warehouse facilities in Toronto, strengthening the company's presence in North America, with a focus on Canada and the United States.
- 2018** Entry into the pet care products market with a specialized product line.
- 2023** Launch of a new range of home fragrances, specially designed for residential and hospitality environments.

PROTECT AND SHINE 100+ 500ML

Cleans, lubricates, protects, and enhances plastic and rubber surfaces. Suitable for tires, rubber seals, bumpers, protective films and plastic trims.

Item No: 00-010-518

CAR CARE

AIR CONDITION CLEANER 500ML

A cleaner with a high alcohol content designed for effective cleaning of your vehicle's air conditioning system. Cleans and provides long-lasting protection against microorganisms while eliminating unpleasant odors. Quickly neutralizes harmful microorganisms within 5 minutes after application.

BABY POWDER
Item No: 00-010-320

SILICONE SPRAY 500ML

Preserves, lubricates, protects, and waterproofs plastic and rubber surfaces.

Item No.: 00-010-410

TYRE SHINE 500ML

High-quality tire shine suitable for all types of tires. With a single application, it removes dirt and dries within minutes, leaving a deep shine without the need for wiping or rinsing.

Item No: 00-010-330

ELECTRICAL CONTACT CLEANER 500ML

Ideal for cleaning and maintaining electronic systems and circuit boards, helping ensure proper operation for longer periods. Effectively removes dust, dirt, oils, and residues from circuits and electrical connections, restoring conductivity and reliability of electronic components.

Item No.: 00-010-470

CARBURETTOR 500ML

High-performance carburettor cleaner. Effectively removes grease residues, sticky deposits, and carbon buildup from the carburettor and engine components. Improves engine performance and contributes to better combustion and fuel efficiency.

Item No: 00-010-460

BRAKE CLEANER 500ML

Ideal for the effective cleaning of all brake systems in cars, motorcycles, trucks, machinery, and tractors. Dries quickly, provides high cleaning performance, and leaves no residue.

Item No: 00-010-591

GREASE 500ML

An revolutionary formula designed to lubricate moving parts such as gears, joints, hinges, tools, and machinery. Reduces friction even under heavy loads. Ideal for general applications on metal moving parts and suitable for use across a wide temperature range.

Item No: 500ml: 00-010-300

MICROFIBER TOWELS

Premium microfiber towels engineered for superior cleaning, drying and detailing performance. Designed for high absorbency, scratch-free care and lasting durability, with specialized textures for every surface and detailing task.

EDGELESS 40X40 400GSM

- Balanced Absorbency
- Multi-Purpose Use
- Safe on All Surfaces
- Edgeless Design

▀ The **general-purpose microfiber towel** is ideal for drying and cleaning interior surfaces. With a medium density of **400 GSM**, it offers excellent absorbency, softness, and durability for frequent use. Suitable for professional detailers and everyday vehicle care.

Suitable for: Cars, boats, motorcycles.

Item No.: 00-010-1314

CARBON FIBER GLASS TOWEL 40X40 400GSM

▀ The **Fiber Glass microfiber towel** cleans windows, mirrors, and glossy surfaces without leaving lint or streaks. Its special **400 GSM weave** removes dust, stains, and fingerprints in a single pass, providing crystal-clear results. Durable for frequent use, it is ideal for both professional detailers and everyday vehicle care.

Suitable for: Windshields, windows, mirrors, screens.

Item No.: 00-010-1316

WAFFLE GLASS TOWEL 40X40 400GSM

- Streak-Free Finish
- High Absorbency
- Waffle Weave Design
- Use for Glass, Mirrors & Electronics

➤ The **Waffle microfiber towel** provides lint-free cleaning and streak-free drying. Its special **400 GSM weave** quickly absorbs water, leaving surfaces clean and crystal clear. Ideal for windows, mirrors, and polished surfaces. Durable and becomes softer after every wash.

Item No.: 00-010-1317

TWISTED LOOP 70/30 40X60 650GSM

- Ultra Absorbency
- Professional-Grade Performance
- 650 GSM Twisted Loop Technology
- Highest Quality Blend 70/30

➤ The **Premium Twist Loop towel** dries your vehicle quickly and effectively without leaving streaks or water spots. Its special weave holds large amounts of water with minimal friction, protecting the paintwork and delivering a flawless finish. Soft, durable, and ideal for professional use. Made from a premium blend of **70% polyester and 30% polyamide**.
Suitable for: Cars, boats, motorcycles.

Item No.: 00-010-1313

TWISTED LOOP 70/30 40X60 800GSM

- Ultra Absorbency
- Professional-Grade Performance
- 800 GSM Twisted Loop Technology
- Highest Quality Blend 70/30

➤ The **Premium Twist Loop towel** dries your vehicle quickly and effectively without leaving streaks or water spots. Its special weave holds large amounts of water with minimal friction, protecting the paintwork and delivering a flawless finish. Soft, durable, and ideal for professional use. Made from a premium blend of **70% polyester and 30% polyamide**.
Suitable for: Cars, boats, motorcycles.

Item No.: 00-010-1319

TWISTED LOOP 70/30 40X60 1300GSM

- Ultra Absorbency
- Professional-Grade Performance
- 1300 GSM Twisted Loop Technology
- Highest Quality Blend 70/30

➤ The **Premium Twist Loop towel** dries your vehicle quickly and effectively without leaving streaks or water spots. Its special weave holds large amounts of water with minimal friction, protecting the paintwork and delivering a flawless finish. Soft, durable, and ideal for professional use. Made from a premium blend of **70% polyester and 30% polyamide**.

Suitable for: Cars, boats, motorcycles.

Item No.: 00-010-1312

EDGELESS 40X40 250GSM 3PACK

- Balanced Absorbency
- Multi-Purpose Use
- Safe on All Surfaces
- Edgeless Design

➤ The **general-purpose microfiber towel** is ideal for drying and cleaning interior surfaces. With a medium density of **250 GSM**, it offers excellent absorbency, softness, and durability for frequent use. Suitable for professional detailers and everyday vehicle care.

Suitable for: Cars, boats, motorcycles

Item No.: 00-010-1315

CHAMOIS PVA

➤ The **synthetic PVA towel** dries your vehicle quickly and effectively without leaving streaks or water spots. Its special porous texture absorbs large amounts of water, leaving surfaces clean and smooth. Ideal for paintwork, windows, and metal surfaces, it delivers professional results with every use. Soft, durable, and reusable — store damp in its special container for maximum lifespan.

Item No.: 00-010-1318

RED SERIES

Formulated without propellant gas, delivers powerful cleaning performance and a brilliant finish with easy application. Specially designed for maximum performance, meeting the needs of both professionals and demanding car enthusiasts.

Box 21 pcs

Plastic Treatment - 500ML

Specially designed polish for interior and exterior plastic surfaces. Restores shine and makes plastics look like new.

Enhances dull surfaces, prevents fading, and delivers excellent results. Ideal for dashboards, doors, mirrors, interior trims, and plastic parts exposed to sunlight or wear over time.

Item No: 00-010-953

Rim Cleaner - 500ML

An effective solution for deep wheel cleaning, combining strong action with maximum safety.

Easily removes metallic residues, brake dust, grease, and dirt without affecting the wheel surface.

Item No: 00-010-947

Odor Eliminator - 500ML

Specialized odor neutralizer designed to be sprayed directly onto surfaces with strong unpleasant odors such as vomit, food, and pet smells. Neutralizes and traps odor molecules in the air, providing deep and long-lasting freshness instead of simply masking odors. Ideal for carpets, mats, fabrics, and other interior surfaces.

Item No: 00-010-1392

Tyre Shine - 500ML

Professional tyre polish that delivers intense shine while enhancing the deep black color of tyres. Creates a hydrophobic protective layer that repels water and dirt. Does not stick, does not fade, and keeps tyres clean and glossy for longer.

Item No: 00-010-949

Interior Fabric & Carpet Cleaner - 500ML

Effective cleaner specially designed to remove dirt, stains, and unpleasant odors from fabric and leather upholstery. Its mild formula cleans deeply without damaging surfaces while refreshing and protecting fabrics.

Item No: 00-010-951

CAR CARE
